Compositing & Visual Effects Integration

- Senior Nuke and AE compositor with deep experience in multi-pass (AOV) workflows and live-action feature film integration.
- Strong artistic sensibility for color, lighting, and seamless compositing, enhancing video projects with high-end VFX when required.
- Skilled in scripting and Gizmo creation within Nuke to optimize compositing workflows.
- Developed precision and artistic judgment that elevate both VFX and video deliverables.

Videography, Cinematography & Post-Production Expertise

- 20 years of hands-on experience in professional video production, from concept development to final delivery.
- Strong command of cinematography principles, including camera operation, framing, composition, lighting, and on-set direction for both studio and on-location shoots.
- Skilled in operating professional video equipment, cameras, lenses, lighting kits, audio gear, and adapting setups for diverse environments.
- Experienced in producing high-quality video content that aligns with brand strategy and drives audience engagement.
- Proficient in editing, motion graphics, color correction, audio balancing, and finishing workflows.
- Advanced proficiency in Adobe Creative Suite (Premiere Pro, After Effects, Photoshop, Illustrator), Final Cut Pro and Foundry Nuke.
- Capable of managing multiple video projects simultaneously while maintaining a smooth, efficient creative pipeline.

About Me

I bring a proactive and adaptable mindset to every production environment, thriving under pressure while maintaining a calm and solutions-focused approach.

My experience leading cross-functional teams and collaborating with Film and VFX Supervisors has sharpened my ability to communicate clearly, accept feedback constructively, and contribute meaningfully to creative problem-solving. I'm deeply team-oriented, always seeking to elevate the collective output while staying flexible in fast-paced, deadline-driven scenarios. My emotional resilience and strategic thinking allow me to balance artistic vision with technical precision, ensuring continuity and excellence in every shot.
